

# Sharing God's Story with Disney's Frozen

Like Arendelle, we are all under a curse caused by just one person.

Because of Adam's curse, we all have Frozen Hearts.

Just like with Anna, Jesus died and rose from the dead to thaw our frozen hearts.

Only an act of True Love can thaw a frozen heart.

Hans is like the devil. He lies, he deceives and he is willing to murder to get something that is not his.

Like Anna and Kristoff, we should want to live in community. God made us to live in community with other Christians.
